

## SCOTT THOMAS

Director/Producer/Writer

In 2001, Scott Thomas created the production company, Pacific Entertainment Group, Inc. The company is developing and producing feature films and a television series.

Scott has just completed the writing, producing and directing the award winning Action/Horror feature film, "FLIGHT OF THE LIVING DEAD." New Line Home Entertainment and Imageworks Entertainment have purchased the worldwide rights for a release in October 2007. The feature has screened at The Los Angeles Film Festival, SITGES in Spain, Dead By Dawn in Scotland, Fantastic Fest in Austin Texas and many others. In 2006 he directed "YESTERDAY'S DREAMS," a romantic drama feature film in Oregon. In 2003 he wrote, produced and directed "LATIN DRAGON," an action/adventure feature film. Universal Home Video and Imageworks Entertainment have purchased the worldwide rights to this acclaimed action film. In 2001, Thomas directed the feature film entitled "DERANGED," a contemporary psychological-thriller. The film won "Best Thriller" and "Best Actor" for Frank John Hughes at the New York Independent Film Festival. Additionally, "DERANGED" was voted "Best Picture" winning the grand prize at the Oldenburg Film Festival in Germany, and has also been invited for Special Screenings at the Sacramento Film Festival, The Brooklyn Film Festival and the prestigious, Slamdance Film Festival. I-Film released DERANGED in a nationwide DVD release in April 2005. Thomas has excelled as a director, producer and writer in feature films, television and animation since beginning his career.
